SUBJECT: Driver's Education Credit				

Policy Purpose: To define the process by which students can receive credit for driver's education.

Policy Information: Applewood Christian School offers students credit for driver's education from an authorized instructor (for example: public school, private company, or licensed tutor).

- 4540.1 Students must get approval from the administration if participation in said class requires students to leave campus during the normal school day.
- 4540.2 Upon completion of the course, the student must obtain the ACS Driver Education form from the office. It must be completed by the driver education teacher or the administrative office of the school where the class is offered. Proof of classroom time, driving time, and successful completion of the course is required.
- 4540.3 The completed form must be submitted to the ACS Academic Committee to receive credit.
- 4540.4 Upon approval, students will be awarded a quarter (0.25) credit which will be applied toward general elective requirements.
